UNSTARRED QUESTION NO:2007
ANSWERED ON:26.07.2002
T.U.F.S. IN GUJARAT
RATILAL KALIDAS VARMA

Will the Minister of TEXTILES be pleased to state:

(a) whether Technology Upgradation Fund Scheme (TUFS) has been introduced in Gujarat;

(b) if so, the details thereof; and

(c) the number of beneficiaries of this Scheme in powerloom, jute and textile sectors separately since its inception?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF TEXTILES SHRI BASANAGOUDA R. PATIL (YATNAL)

(a), (b) & (c) Government of India has introduced Technology Upgradation Fund Scheme (TUFS) for textile & jute industries w.e.f. 01-04-1999 for a period of 5 years. The Scheme provides a reimbursement of 5% on interest charged by designated nodal agencies and co-opted banks/ Financial Institutions for a project of technology upgradation in conformity with the scheme. TUFS is applicable to whole of India including Gujarat. This Scheme is being implemented through three nodal agencies namely Industrial Development Bank of India (IDBI), Small Industries Development Bank of India (SIDBI), Industrial Finance Corporation of India (IFCI). These nodal agencies have further co-opted around 240 institutions for providing a network of financial organizations for sanction and disbursement of loan.

For monitoring and review of the Technology Upgradation Fund Scheme (TUFS), an Inter-Ministerial Steering Committee (IMSC) under the Chairmanship of the Secretary (Textiles) including representations of Departments of Expenditure, Commerce, Industry, Banking and Planning Commission has been constituted. Besides,a Technical Advisory and Monitoring Committee (TAMC) under the chairmanship of the Textile Commissioner has also been constituted to monitor and review the progress of the scheme, accelerate its implementation as well as to suggest necessary changes in the technical/financial norms and other aspects for smooth operation of the scheme. Taking into account suggestions received from various organizations, government has been making suitable amendments to the Scheme to make it more user friendly.

Since January 1, 2002, the Scheme also provides an option to the Small Scale Sector textile and jute industries for availing of either 12% Upfront Credit Linked Capital Subsidy or the existing 5% interest reimbursement.

As on 31.05.2002, an amount of Rs. 431 crore has been disbursed in the state of Gujarat against 266 applications having a total project cost of Rs. 992 crore. The number of beneficiaries of this Scheme in powerloom, jute and textile sectors separately since its inception is in Annexure-I.

Annex - I Segments Wise Progress under TUFS as on 31.05.2002 (Provisional) (Rs.In Crore)

Sr.No.	Industry Segment	Received		Sanctioned		Disbursed			
		No.of Applications	Project Cost Amount of loan Amount	No.of applications	Project Cost Amount	No.of applications	Project Cost Amount	Sanctioned Amount	
1	Spinning	323	3595.19	2168.95	233	2541.68	1412.10	199	2357.96	1274.64	1082.07
